

BRICK OVEN PIZZA

An artisanal tradition — We make our dough from scratch in our kitchen every morning, then allow it to “rest” at a controlled temperature for 48 hours to develop optimal flavor and texture. Once proofed, stretched and finished with a blend of fresh toppings, our pizza is kissed by flames and cooked by the intense heat stored in the bricks of our oven.

Choose among our Large Signatures or Craft Your Own Large Pizzas.
Each of our Large Pizzas is cut into eight (8) slices.
