PLEASE INFORM YOUR SERVER IF YOU HAVE A FOOD ALLERGY BEFORE PLACING YOUR ORDER.

We rely on suppliers for accurate information. Variations may occur due to differences in suppliers, ingredient substitutions and recipe changes.

While we take steps to avoid cross-contamination, we operate a scratch kitchen with shared cooking and preparation areas — including our brick ovens — so we are unable to guarantee or eliminate all possible cross-contamination. Bertucci's is not "certified gluten-free," and our core pasta and pizza dough products contain gluten. Please carefully consider your dining choices and individual dietary needs when dining with us. If you have a severe allergy you are at a much greater risk of a serious reaction. Decisions as to the precautions you take, or risks you may expose yourself to, should be made in consultation with your doctor.
